Reference 06500_CD

DESCRIPTION OF THE PROPERTY

One-bedroom apartment on the sea-front with terrace and garage.

In Menton, in a central, highly serviced area just steps away from all amenities, restaurants, and the casino, directly facing the sea, we offer a spacious one-bedroom apartment with a terrace and garage. The entrance opens onto a hall leading to all rooms: immediately, you'll find a fully equipped kitchen. Next is a generously sized bedroom with custom-built wardrobes, and across the hall, a bathroom, toilet, and convenient storage room. The highlight is the large, bright living room with a double corner exposure, creating a sensation of being at sea. From here, there is direct access to the terrace, also corner-positioned, allowing enjoyment of a privileged view of the French Riviera sea. This apartment represents an excellent opportunity for prestige and location, with an interesting possibility to convert it into a two-bedroom unit. A garage box within the building completes the property.
